

Florida Futures Academy

Resilience and Determination

Mission Statement

The mission of Florida Futures Academy is to provide the community with a viable alternative for adolescents and young adults to earn a high school diploma. Through a blended, self-paced instructional model, delivery of individualized instruction and support services, relationship building in a nurturing, learning environment, students formerly at-risk will transform to students at-promise. The mission is to enable those who cannot currently envision a positive future into becoming young adults who are productive and contributing members of their community.
