Principal Carolyn Taylor

We would like to thank you once again for your support of Bi-Wi's girl's mentoring program for the academic school year 2021-22. It has been a pleasure working with you and your team. This was another successful year for our mentoring program and the 20 girls enrolled from Florida Futures Academy.

We received funding to help defray costs of COVID19 setbacks. We would like to support your school with a portion of these funds, in hopes that they will assist you in your setback due to COVID19.

Please accept this check in the amount of \$1,700 as a token of Bi-Wi's heart to help, to be used as you deem necessary to assist you with your expenses. We are also donating 600 reusable masks, as requested, for the students' use as needed.

We look forward to another productive school year in the Fall 2022-23.

Thank you again and God bless,

Dr Glenice Davis-Glover, President/CEO
